

THIS VALENTINE'S DAY, SAY IT WITH SILK

Let them "Feel the Love" with Creamy Soft, Luxurious Gifts of Pure Charmeuse Silk from Silk 'N Dreams

ORANGE CTY, CA/MIAMI, FL – You've said it with flowers. You've said it with chocolates. This year slip out of the replicated pattern and say "I love you" with whispery soft, totally indulgent personal accessories of pure Charmeuse silk from **Silk 'N Dreams**.

Like Valentine's Day itself, Silk 'N Dreams, is all about pampering the ones you love—including yourself. Sinking deep into a silky neck pillow, or hiding behind a sensuously soft silk eye mask are luxuries that can be enjoyed anytime, and any where, at home or on the road.

The signature *Silk 'N Dreams* gift set, for Valentine's Day or any occasion, is the **Luxury on the Go** set, beautifully presented and including an ergo-dynamically contoured NeckPillow, with removable silk cover; a shamelessly sexy silk EyeMask with unique REM pockets to accommodate Rapid Eye Movement plus a pair of deluxe EarPlugs, all in an attractive and lightweight carry bag.

"This is a Valentine gift that keeps on giving throughout the year," says Diane Eidelstein, co-founder and vice president of the company. "Everything is plush, lush and silky, and despite the luxurious quality, very durable, and easy to care for.

The *Silk 'N Dreams* collection also includes all-natural Charmeuse Silk PillowCases. The items in the Luxury on the Go sets are available individually, except for the ear plugs and carry bag.
